^{we} I was Really surprised when I read the email.
Someone sent me a strange coordinates and write that it is
a chest with a lot of gold. I thought that it is a simple
joke. But he sent a video, now he judg up the chest.
I feeld happy because I was very poor man. I cheaked
the coordinates and it was very close to me, at near
street. I put on my jacket picked up a shovel and went to
cheack it. At the place I saw X-marced spot. I started
to ~~dig~~ diging and sadenly many peoples started to laughing
and I saw a man with a camera. He was my friend Peter

I was surprized and sad. My advice is don't hope
that you can find a treasure. It can be a joke or
other funny things. On the other hand some times it can
be a truth. So I didn't found any treasure but I spend time
with my friends and it was fun!
